Reporting Requirements for Independent Expenditures, Electioneering Communications and Covered Transfers

WHO NEEDS TO FILE

It is lawful for any person, business entity or political action committee (PAC), not otherwise prohibited by law and not acting in coordination with a candidate, authorized candidate committee, PAC or political party committee, to expend personally from that person's own funds a sum which is not to be repaid for any purpose not prohibited by law to support or defeat a candidate or referendum.

WHEN TO FILE

Any person, business entity or PAC making independent expenditures, electioneering communications or covered transfers shall report all such expenditures, provided the total of the money so expended exceeds \$1000 within a calendar year, to the Board of Elections within seven (7) days of making the expenditure.

After a person, business entity or PAC files its initial report, the person, business entity or PAC shall file an additional report after each time the person, business entity or PAC makes or contracts to make independent expenditures, electioneering communications or covered transfers aggregating an additional \$1,000 with respect to the same election as that which the initial report relates.

When a report is required within thirty (30) days prior to the election to which the expenditure was directed, it shall be filed within twenty-four (24) hours of the expenditure. When such a report is required at any other time, it shall be filed within seven (7) days after the expenditure.

WHAT TO FILE

Reports of independent expenditures, electioneering communications or covered transfers by a person shall contain the name, street address, city, state, zip code, occupation, employer, of the person responsible for the expenditure, the name, street address, city, state, zip code of the person receiving the expenditure, the date and amount of each expenditure and the year-to-date total. The report shall also include a statement identifying the candidate or referendum that the independent expenditure or electioneering communication is intended to promote the success or defeat, and affirm under penalty of false statement that the expenditure is not coordinated with the candidate or referendum in question.

Reports shall also disclose the identity, which includes the name, address and place of employment and duration amount, of all donors of an aggregate of \$1000 or more to such person, business entity or PAC within the current election cycle.

Any person, who willfully and knowingly violates the provisions of Chapter 25.3 of Title 17 shall, upon conviction, be guilty of a misdemeanor and shall be fined not more than \$1000 per violation. The state Board of Elections may impose a civil penalty upon any person, business or PAC who violates the provisions of Chapter 25.3 of Title 17 in the amount of \$1000, or up to 150% of the aggregate amount of the independent expenditures, electioneering communications or covered transfers per violation, whichever is greater.
